PACIFICA-LEVEL EXPECTATIONS

The assertive stance, artful lines and elevated amenities of Chrysler Pacifica make it a clear standout in its category, taking family functionality to a whole new level. It's considered an innovator in virtually every aspect: luxurious interior seating and appointments, ingenious storage and entry innovations, boredom-busting entertainment systems, confidence-building safety and performance features, eco-conscious power solutions ... in short, Pacifica both defies and redefines the meaning of "minivan."
